THALIA COLLEGIUM MUSICUM . . .

is a select 26 piece chamber symphony, studying and performing rare gems discovered by relentless sleuths rummaging through forgotten archives; seeking new music from young, eager composers; and uncovering the delightful small orchestra repertoire.

CHAMBER MUSIC is also a love of the Collegium players, and to this end varied combinations of ensembles are constantly rehearsing to share with you the fun and informality of this intimate art form.

I WOULD LIKE TO BECOME A FRIEND OF THALIA.

Please bill me for twenty-five dollars for one year.
